

This time, I'm not happy with Hockey. He's suggesting that our bloated banks, who take \$30 billion off us each year in profits, need protecting somewhere in the future, so we're going to pay a tax on our deposit money. We're paying tax on the money, we're then putting it in the bank, and he wants to tax us again. It's crazy. Hockey, if you want to get reelected, drop this bad tax.
